

the logo.

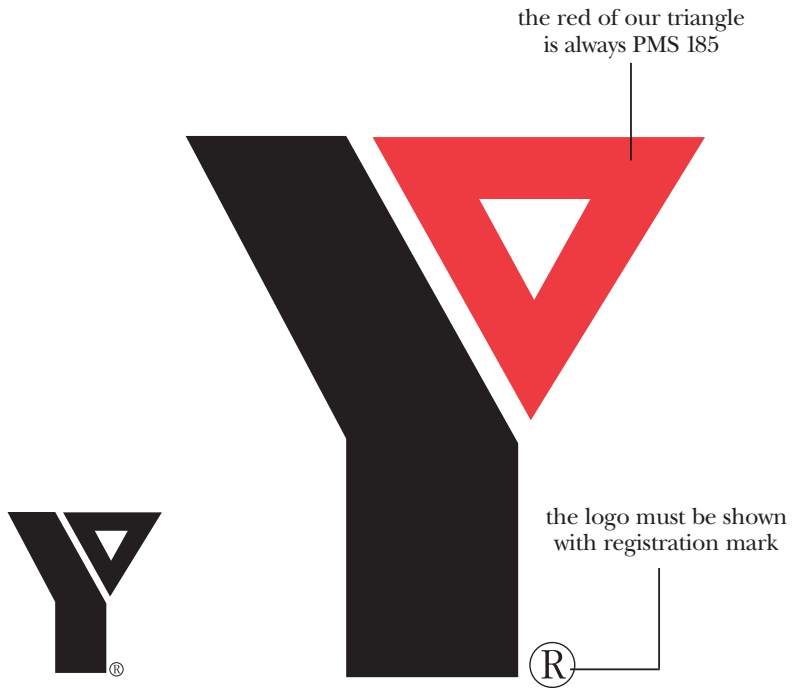

The logo should be represented only in the color combinations shown here.

one-color reverse

This logo should be used on 100% black or other dark-colored backgrounds.

Because communities have different needs, all YMCAs are different. Yet, all Ys share the common mission and values—caring, honesty, respect and responsibility. They unify us.

one-color positive

two-color positive

These logos should be used on 100% white or other light-colored backgrounds.

Our logo serves as the unifying symbol that visually identifies and connects the entire organization to the mission and its goals.
