FINANCIAL ASSISTANCE

The YMCA financial program is a sliding fee scale that is designed to provide services for any family, adult or senior who desires to participate and understands the benefits of the YMCA, regardless of their ability to pay the prescribed fee.

Those not able to pay the full fee may be awarded assistance based on their demonstrated ability to pay and the YMCA's ability to fund the subsidy.

Funding for YMCA financial assistance comes from grant sources and from fellow members who donate to the YMCA's Annual Campaign. Each year the campaign provides membership and program assistance for more than 4,000 adults and children.

All YMCA members receive the same membership benefits, regardless of whether they are receiving assistance.
