Northeast Ohio faces new challenges that create a greater need for the work we do. Fortunately, where some see obstacles, we see opportunities for our members, volunteers, staff and generous donors like you to make a difference. No other organization can impact as many people as powerfully as we do every day.

When you give to the YMCA of Greater Cleveland, your gift will help young people achieve their potential, empower people of all ages to lead healthier lives and strengthen the bonds of community across Northeast Ohio.

Together, we'll take on many of the greatest challenges facing our young people, our health and our community.
