**YOUTH DEVELOPMENT PROGRAMS**

The Y is the starting point for many youth to develop positive habits they’ll carry with them throughout their lives. Whether it’s gaining the confidence that comes from learning to swim or building positive relationships, good sportsmanship and teamwork skills, the Y is about building the whole child from the inside out.

**HEALTHY LIVING PROGRAMS**

Being healthy means more than simply being physically active. It’s about maintaining a balanced spirit, mind and body. Our Ys offer classes and programs for all ages, all levels and all interests.

**SOCIAL RESPONSIBILITY PROGRAMS**

The generosity of others is at the core of the Y’s existence as a nonprofit. It is only through the support of our thousands of volunteers and public and private donors that we are able to support and give back to the communities we serve. In order for our Y to continue to strengthen our community and impact lives in more meaningful ways, we need your help.

Fortunately, where some see obstacles, we see opportunities for our members, volunteers, staff and generous donors like you to make a difference. No other organization can impact as many people as powerfully as we do every day.

When you give to the Geauga Family YMCA, your gift will help young people achieve their potential, empower people of all ages to lead healthier lives and strengthen the bonds of community across Northeast Ohio.

Together, we’ll take on many of the greatest challenges facing our young people, our health and our community.
