# SOCIAL RESPONSIBILITY PROGRAMS

The generosity of others is at the core of the Y's existence as a nonprofit. It is only through the support of our thousands of volunteers and public and private donors that we are able to support and give back to the communities we serve. In order for our Y to continue to strengthen our community and impact lives in more meaningful ways, we need your help.

Northeast Ohio faces new challenges that create a greater need for the work we do. Fortunately, where some see obstacles, we see opportunities for our members, volunteers, staff and generous donors like you to make a difference. No other organization can impact as many people as powerfully as we do every day.

When you give to the Vermilion Family YMCA, your gift will help young people achieve their potential, empower people of all ages to lead healthier lives and strengthen the bonds of community across Northeast Ohio.

Together, we'll take on many of the greatest challenges facing our young people, our health and our community.
